Trying for a hole-in-one? Whoops! Wrong game! Don't get caught behind the eight ball.

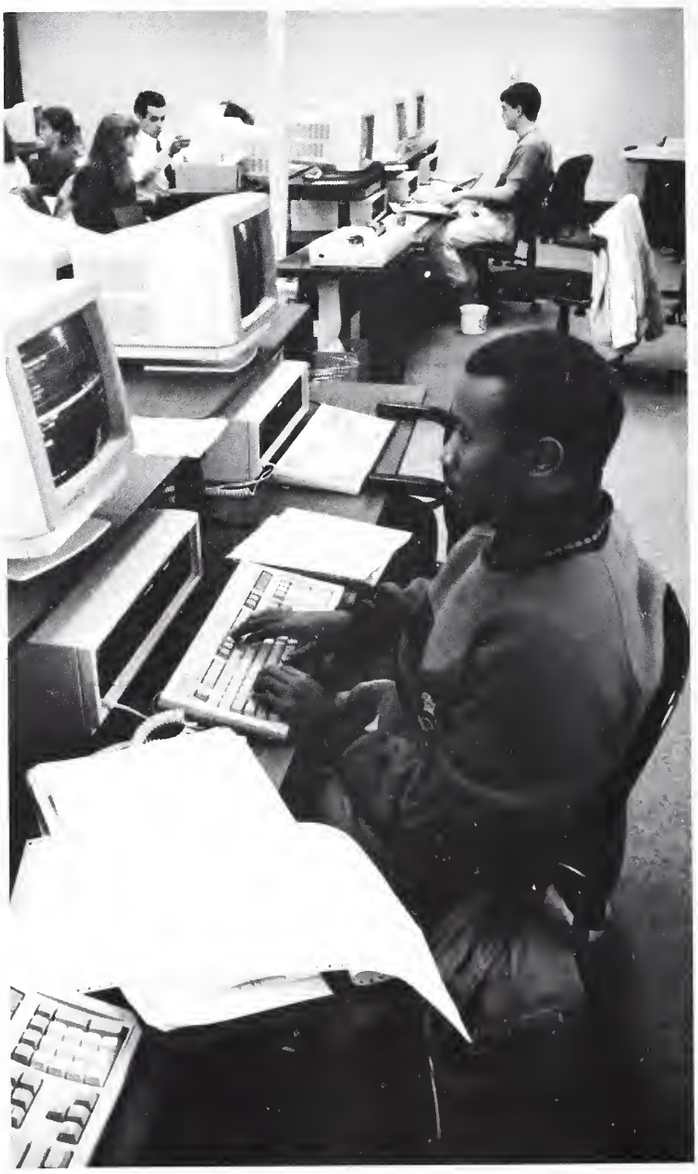
According to a popular poll of female students, these two men rank highly on Millikin's list of "Lasting Impressions."

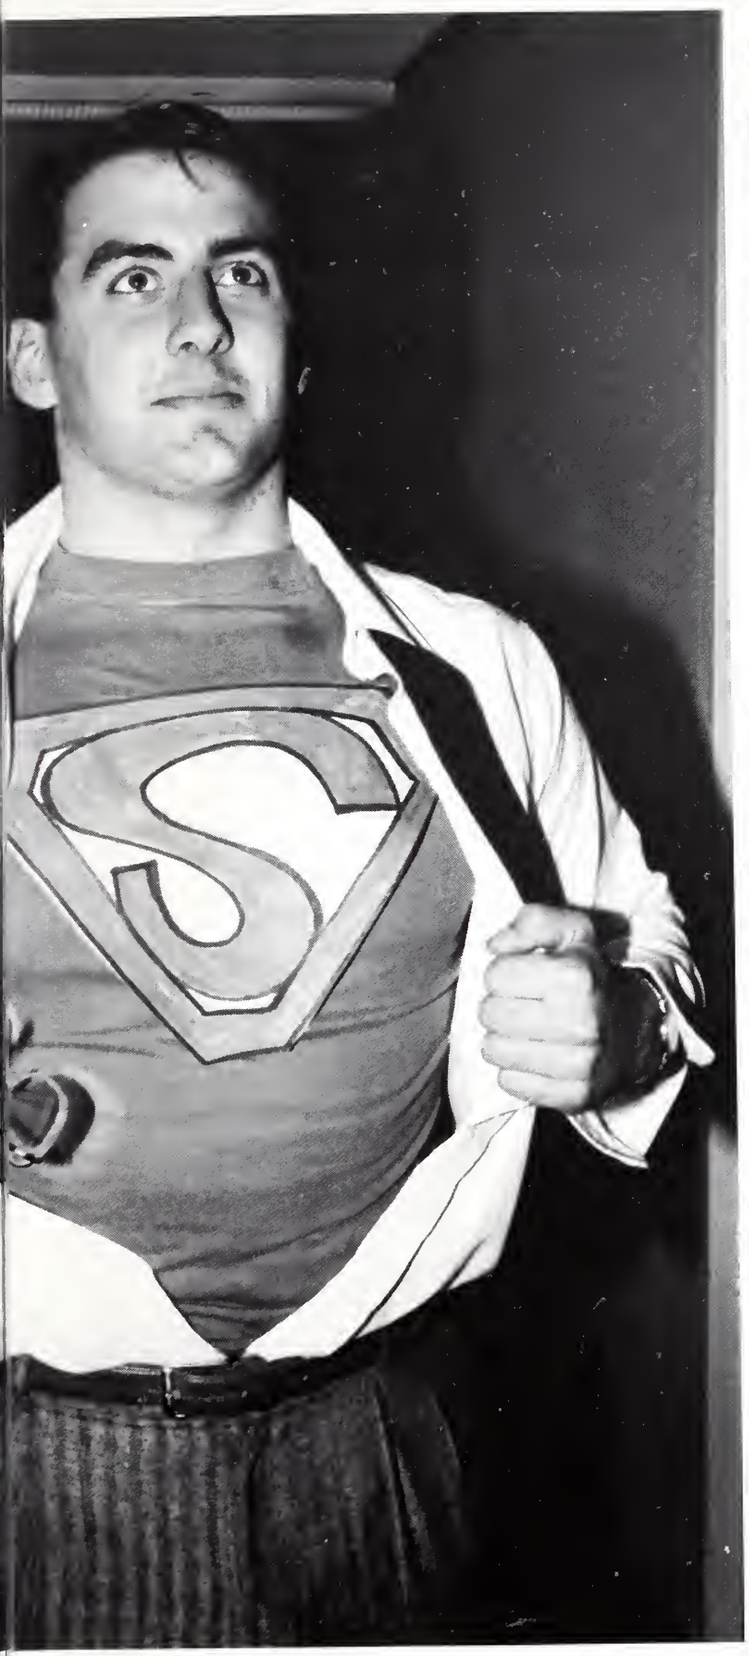
Senior Shauna Fisher distributes goodies to area Trick-or-Treaters. Where's your costume, Shauna?

Above: Millikin Swimming and Diving team members display their school spirit. Go Big Blue! Just what is a "Big Blue?"

Center: It's a bird! It's a plane! No, it's a Super stressed Millikin student! Don't worry. Fall Break's to the rescue.

Right: There's no place like home-away-from-home. Tabor Computer Lab is the place to be!





Top Right: Let's see it from the top . . . Again! While this instructor seems ready for more, these students look ready for a break.

Bottom Right: Michelle Redella and Tom VanHow have inquiring minds that want to know. MU's Decaturian provides all the answers to campus news.

DEDICATION

President J. Roger Miller
32 Years at Millikin & Ready for a Change of Pace

Dr. J. Roger Miller announced his resignation as president of MU in September. Pres. Miller has spent 32 years at Millikin. He joined the University's faculty in 1959 and was named president in 1971. After so many years of faithful service, Pres. Miller said he feels it is time for a change.

Q. What do you like most about Millikin University?
A I like the open, friendly, warm attitude of everyone on this campus.

Q. Do you have a favorite Millikin moment that you like to remember when you think about your years here?
A Being the "I" in Millikin? Seriously, there are so many moments it is impossible to select just one.

Q. What do you consider to be your most significant accomplishments at Millikin?
A My most significant accomplishments include having a part in 1) improving the quality of students, 2) improving the quality of the faculty, and 3) building an attractive and fine campus.

Q. What potential problems do you foresee for MU in the future?
A I foresee none that adequate money and dedicated people won't solve.

Q Why did you not want to be part of the decision in selecting the incoming president?
A It is appropriate that the Board of Trustees assume the full responsibility for new leadership. My bias might show!

Q What advice would you extend to the new president to help him become adjusted more quickly?
A He should take advantage of the traditions, all the bright minds, and learn to love this place as much as I do.

Q What are the advantages and disadvantages of being president?
A There are very few disadvantages. I have far less power in decision making than most people think. To be associated with students, faculty, staff and watch bright minds constantly grow is such a plus — never a dull day!

Q If you could change something about MU, what would it be?
A I would like an ever greater emphasis on creative, innovative, challenge in thinking on the part of students, faculty, and administrators.

Q What would you like to have seen done at Millikin?
A There are so many pieces or unfinished business — one never accomplishes all you would have liked — I would hardly know where to start!

Q What would you like to be remember for?
A For having made some difference in the quality of this University.

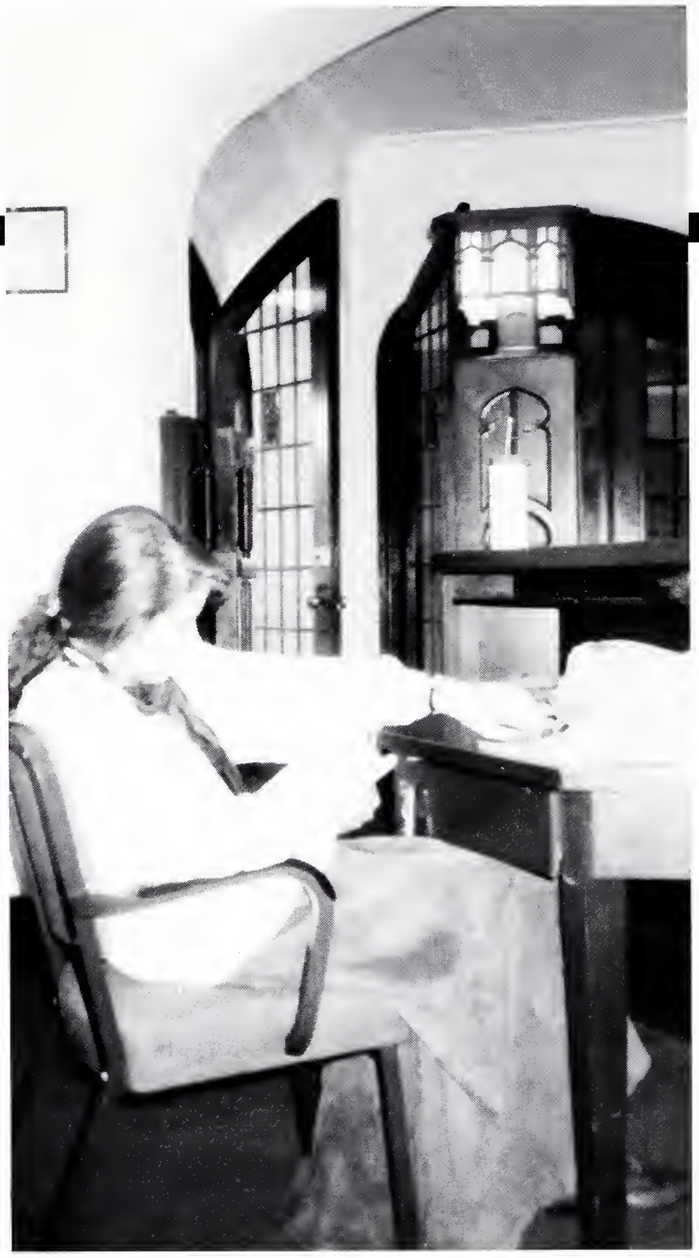
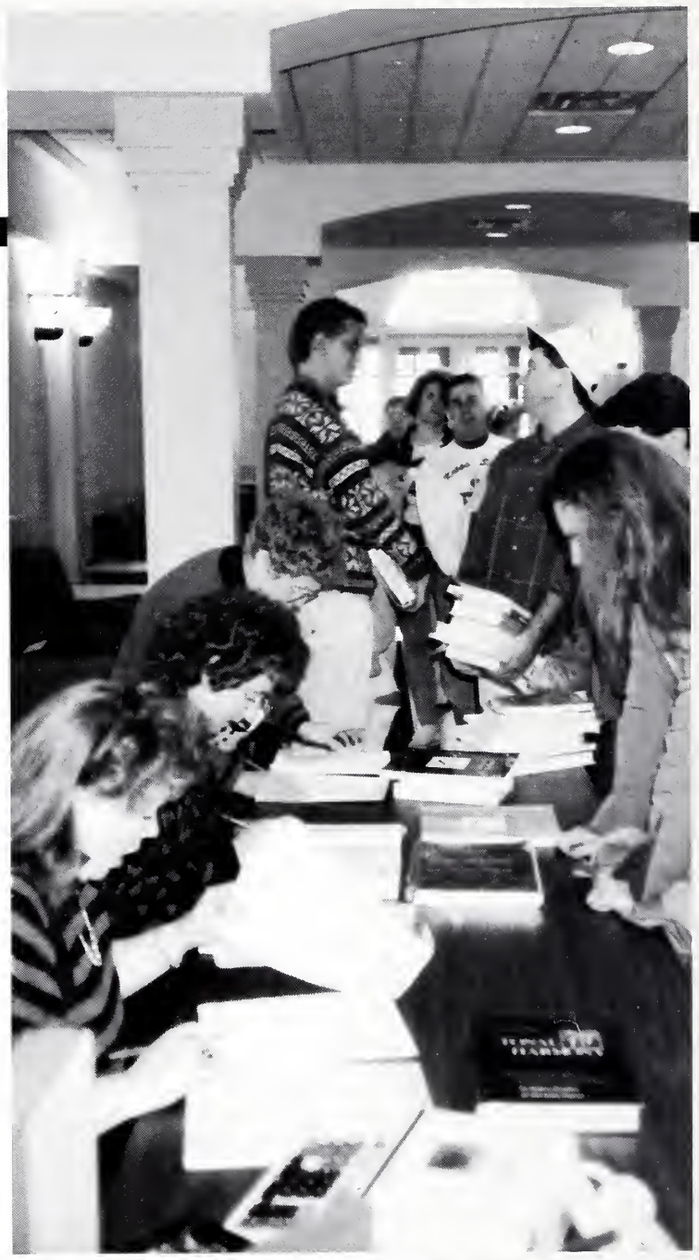
Celebrating the art of embroidery

Where is the party?

MU's students at their finest.





Top Left: Deeply involved in reading, senior Laura Sullivan catches up on her studying.

Top Right: Students line up at the end of fall semester to return their books for a little extra cash.

Right: Freshmen Carrie Haacke and Lori Springer prop up their feet in Shilling while they study.

Left: Senior Tom Dewey makes his reading more enjoyable by getting comfortable in the library.

Below: From a bird's-eye-view, this Millikin student appears to be surrounded by piles of homework.

Right: Jen Millikinmen stress tests University property for quality.

Below: Lorin Lemme and Kim Kuhr dine on MU cafeteria specialties. Mmm Mmm *Good?*

Above Can you identify this man? Millidek staff couldn't, so you fill in the blank. _____

Bottom Right: Matt and Lucy celebrate Spring by getting "Back to the Ball Park" with cotton candy. This theme day was brought to you by MU cafeteria staff.

Millicamp

Waves of heat rolled off the black pavement as a couple of hundred freshmen exited the busses into the hot summer air. Millicamp '90 had arrived again to give the new students a chance to get acquainted with other freshmen, upperclassmen, and faculty. During the two days of activities, freshmen were able to talk to counselors about student life at Millikin, and they also learned about the academic departments.

Besides participating in ice breakers, the new students played softball, basketball, and frisbee. They also practiced for the last day's version of the Olympics, which included pyramid building, the three legged race, and dizzy bats. For entertainment, the freshmen watched a hypnotist and had dance with a limbo contest. Groups of counselors also put on skits, and the faculty performed "I'd Like To Teach The World To Sing."

Despite the blistering heat and buzzing mosquitoes, most students felt that the weekend gave them a chance to meet new people before the semester started.

The theme for Millicamp, "Come Together," well represented the weekend as freshmen, counselors, and faculty all joined together to learn more about one another and make a great start for the new year.

Puckering up for the camera, a freshman and her friends have a good time posing for the picture.

The University Center Board (UCB) is a student-run financial programming agent for Millikin University. UCB sponsors such events as current movies, visiting comedians, ball game and shopping trips, exam breaks, and volleyball competitions. On the last Saturday before May finals, UCB and RHA co-sponsor a Springfest celebration which includes all day and evening indoor and outdoor events. Springfest usually consists of games, musical entertainment, a cook out, and a dance.

FALL FAMILY WEEKEND 1991
A Little Something For Everyone!

Fall Family Weekend 1991 provided a little something for everyone. The event was held from Friday, October 5th through Sunday, October 7th. During Fall Family Weekend, relatives swarmed the campus. Those who attended had a terrific time!

On Friday, families could attend classes with Millikin students. That evening, families joined in a picnic held in the Quad. Entertainment was provided by the Millikin Wind Ensemble and Concert Band. After the picnic, families were able to participate in a "Win, Lose, or Draw" tournament and open gym and swim. Friday was also the opening night of Millikin's production of "George M."

On Saturday, there were meetings with family members, campus tours, and a Singing Blue performance. Fall Family Weekend included a new feature this year — a photographer was available in RTUC to take family portraits all Saturday. Millikin Vocal Jazz Ensemble also entertained those who attended the Family Banquet in Worwic Dining Hall.

On Sunday, a worship service was held for those who wished to attend. What a wonderful way to end a wonderful weekend!

HOMECOMING 1990

Millikin's 1990 Homecoming travelled into the past with the theme "Sentimental Journey: A Toast to the Twenties". The week of activities did not officially begin until Sunday, October 14, but a new event, the Homecoming Preview Banquet, was held on Wednesday, October 10. Performing in Wornick Dining Room, the Singing Blue and Blue Review entertained the students. Afterwards, the court candidates were presented.

On Sunday, October 14, another new event, the Homecoming Parade, signaled the beginning of Homecoming Week. Cars driven by various groups show-cased students dressed in costume candidates, and President and Mrs. J. Roger Miller. After the parade, students met at Fairview Park for the games competition, which included a Pudding Toss, an Obstacle Course, and a Tug of War.

On Monday, the pep rally was held at Griswold Center and featured a chant competition, appearances by the

Millikin Maniac contestants, and speakers from the football team.

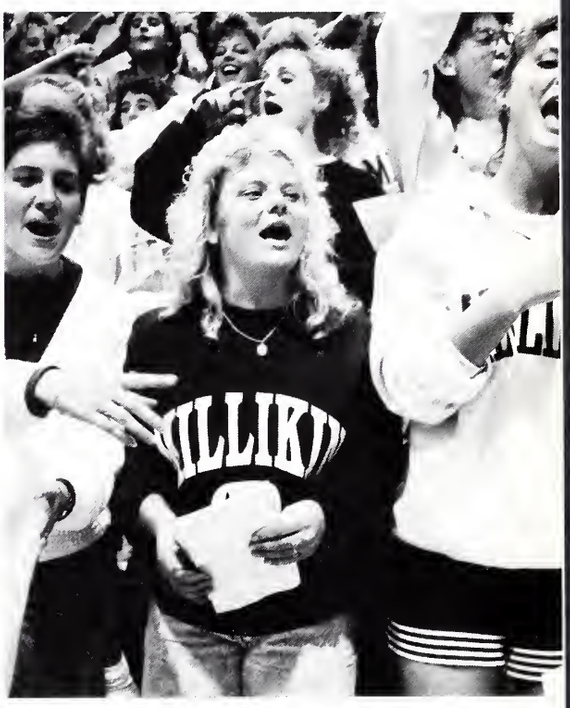
The Talent Show was held on Wednesday and hosted a Variety of skits from the faculty, Greek organizations, and independents. The housing units also completed floats that were displayed on the lawns for judging.

The Homecoming King and Queen were coronated on Friday night at Kirkland, where a concert was also given by the Jazz Lab Band. The Homecoming Court consisted of King, Fred Hicman, Queen, Sara Swayne, and attendants, Janet Heinie, Angela Schlueter, Angela Plasschaert, Jennifer Camden, Ellen Beyers, Jeannine Harper, Joshua Gillespie II, Edward Roseman, John Bowen, John Wrigley, David Toby, and David Hentrich.

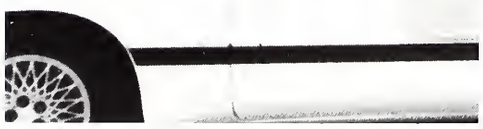
On Saturday, Millikin hosted Carthage in the Homecoming game and defeated them 24-7. That evening the dance was held at the Decatur Civic Center, with guest performers, The Steve Miles Orchestra. Homecoming 1990 was a great success that can be attributed to the hard work put forth by all those involved.

During the Homecoming parade, ZTA's, Cheryl Edwards and Tara Milaneses pose as characters from the 1920's, while Debbie Heiser waves to the crowd.

Sara Swayne and Fred Hickman smile happily as they are crowned Homecoming Queen and King at Coronation.



Gretchen Wendt, Maria Brcik, and Gretchen Blake yell as loud as they can to show their spirit at the pep rally.



President and Mrs. J. Roger Miller enjoy a free ride during the Homecoming Parade.

Greek Week

Greek Week 1991 was held April 21 thru 30. As usual, the week included a talent show, sign competition, games and an awards banquet. New additions to Greek Week, however, made this one something to remember.

This year, new rules were added regarding skit performances. These rules included a time limit and restriction against slamming other Greek houses. Each chapter was also assigned a serious topic such as racial and sexual discrimination.

Although these rules were added to help Greek Week build community and make it a positive experience, the effort backfired. One fraternity striked against Greek Week to protest the new rules. Sigma Alpha Epsilon displayed a sign listing their top ten reasons to boycott the activities and refused to participate in any events.

Steve Boyce of SAE complained that instead of promoting Greek unity, the week pushes them farther apart. Boyce said games increased competitiveness between

Big Blue Football

Dreams of an Undefeated Season

The Millikin Big Blue tackled the 1990 season with high hopes after finishing 10-1 last year, capturing the CCIW Championship and advancing to the Quarterfinals of the NCAA Division III Playoffs. Strengthening this belief was a top 20 prediction for the 1990 team by three prominent football magalines in their pre-season polls.

The Big Blue did nothing to diminish their reputation as they destroyed Elmhurst (58-0) and North Park College (58-12) in their first two games. Millikin showed a crushing ground game coupled with enough passing to keep their opponents off balance. On defense, they stifled both CCIW teams keeping them to an average of only 150 total combined rushing and passing yards per game.

. Tony McClain's 90 yard touchdown dash on the final play of the first quarter keyed the Big Blue's offenses in a tight defensive game won by Millikin (12-10) over Carroll.

high 155 yards and three touchdowns.

The undefeated Big Blue went to Bloomington to encounter Illinois Wesleyan and left with their record still undiminished after a hard fought 30-21 victory.

Homecoming was next for Millikin as Carthage proved to be a good guest and absorbed a 24-7 beating at the hands of the Big Blue. Matt Snyder was able to effectively mix his rushing and passing offense to keep the Redmen guessing.

Dreams of an undefeated season went bust when the Drake Bulldogs beat Millikin by a score of 30-21 in a non-conference game. We proved to be a generous host by turning the ball over to Drake inside our 20-yard line twice and fumbling on two of our last three possessions in Bulldog territory in the fourth quarter.

Millikin returned to CCIW action and kept its record perfect by thrashing North Central 48-0, again showing a well-balanced offensive effort and a strong defense. This victory set up a regular season ending showdown with the Augustana Vikings for the whole enchilada.

Everything came to an abrupt end for the Big Blue football team as Augustana beat Millikin by a score of 17-12 to gain a tie for the CCIW Championship and a bid for the NCAA playoffs. Millikin ended the season with an outstanding 7-2 record and its share of a second consecutive CCIW title.

MU Volleyball

Finishing Fourth

After having the best season start ever, the women's volleyball team finished fourth in the CCIW Tournament.

"We ended up fourth out of nine," coach Linda Slagell said. "We were in the upper half, which I think is good."

The Big Blue lost in four games to North Central Nov. 2. They then beat Wheaton College, the defending champions in four games. The following day, the Blue lost a tough two and one half hour match to Illinois Wesleyan with a fifth game score of 18-16.

"Everybody was playing to finish number one," Slagell said. "When you have that kind of intensity it doesn't take many mistakes to not come out on top."

"I couldn't have asked or hoped for a better senior year," senior co-captain Sarah Camden said. "It was a little disappointing in the end. I felt we should have finished the season in better standing."

Lasting Effects

Last Year's Losses

At the start of the season, there was good news and bad news for Millikin University's soccer coach Bill Bodamer. The good news was that the Big Blue had just come off its best season since it began intercollegiate competition. The bad news was that six veterans graduated from last season's team.

"We've lost a lot of experience, but every team goes through that at some time," Bodamer said. "We feel we're developing a good program with some talented young players ready for their chance to become key contributors."

Bodamer anticipated fielding his larger squad, thanks to an influx of freshmen and transfers. "On paper, it looks like our best recruiting class," Bodamer said, "but what happens on paper and on the field can be two different things."

Bodamer went on to say, "When you consider the number of returnees plus the incoming talent, we should be strong defensively. We could be involved in a lot of low-scoring games."

True to his prediction, the Big Blue soccer team handled itself relatively well defensively by keeping to low-scoring games. However — no doubt due to the heavy loss of experience — the Big Blue finished the season with a 4-13-1 overall record and a 1-4 CCIW record.

Cross-Country Highlights

An Impressionable Season

Dave Grabske, Millikin's number one runner for the fall of 1990, finished 17th in the Illinois State small college meet with a time of 28 minutes and 25 seconds for the 15 mile course. Grabske earned all state honors for the second successive season with a 17th place finish at state.

Grabske and Heather Trusty were named most valuable performers for their respective cross-country teams. Grabske and Darren Pitts were elected team captains for the men's team. The women's co-captains were Laura Vogt and Lisa Wiser.

Larry Lagerhousen earned a varsity letter in his first full season with a best personal time at the NCAA regional of 29:31. Vogt finished under 23 minutes six times this season. She was fifth in the Greenville Invitational, a best time of 21:35 at Danville.

Men's awarded letters were Lagerhousen, Tom Mueth, Darren Voyt, Grabske, Pitts, Greg Torkelson, Rich Dichte, and Mike Malone. All women's team members received letters.

Matt Dickelman goes for a hole-in-one.

MU's Ron Dortch

A Favorable Golf Impression

The only source of anxiety for MU's Ron Dortch is on the golf course.

Dortch has scored under 80 each round of the Big Blue Classic during his first three seasons. Last year, Dortch finished second among individuals losing a sudden-death playoff to teammate Matt Dickelmann. MU won the team title for the second successive year.

This year, Dortch won medalist honors with a 76 at the Augustana Invitational. And he did it in a playoff.

Dortch has made a favorable impression with his golf accomplishments and his 3.13 cumulative gpa as an accounting major. He is a member of the MMA and a building manager for RTUC.

"Millikin's atmosphere allows students to excel both in academics and athletics," Dortch said. 'My coaches have not put on pressure to do better golf."

Lasting Impressions

Hubbard Tells All

Steve Hubbard, a 6'4" freshman, was named the junior varsity most valuable player for the 1990-91 Big Blue basketball season. Hubbard was #24 in the junior varsity starting five where he averaged 13 points per game while assuming his dual role of guard and forward. He was also a member of the varsity team.

Hubbard said his most memorable experience on the Big Blue basketball team was being named MVP at the awards banquet. "I was so surprised," Hubbard said, "I had no idea."

Hubbard also said his most lasting impression of Millikin so far has been "all the wonderful people I have met and the new friends I have made." The person having made the most lasting impression on Hubbard is Kirk McNeely. "He stuck it out and was always there to show me the ropes. He is a great guy to know," Hubbard said of McNeely.

On and Off The Court

Teamwork led the 1990 Big Blue Women's tennis team to an overall fifth place finish in the CCIW Tournament.

"I think we had great teamwork this year," said senior co-captain Heather Lisk. "We got along off the court as well as on the court."

Freshman Amy Chowaniak echoed this sentiment: "Our team stuck together during hard times, and we were able to pull each other through. There was a lot of team spirit and team support."

Although five of the top six players from the 1989 team returned for this season, the team was not dominated by upperclassmen.

"I think all the members just came together as a team," Lisk said.

"Each individual contributed a part of her own personality to the team." Chowaniak explained. "I think that's why we worked so well together."

While underclassmen shared an equal responsibility for the team's success, the two senior co-captains, Kristen Lamborn and Lisk, held leadership positions.

According to Lisk, the role of co-captain meant assisting the coach whenever necessary.

"Kirsten and I would do a lot of things the coach didn't have time for," she said. "Sometimes that meant coaching the other players from the sidelines when the coach was handling other responsibilities.

MAKING A MARK

20 Years of Basketball

This year marked Millikin University's 20th anniversary of its first women's basketball game. Since then, MU's all-time record of 243-141, a .633 winning percentage, placed it 16th among NCAA Division III schools in victories and 19th in winning percentage.

Much has happened in women's athletics since 1971 according to MU's associate athletic director, Harriett Crannell. Millikin basketball players now travel by chartered bus rather than cars and the program gets good support from the University.

Also, NCAA championships have enhanced opportunities and quality of post-season competition, Crannell said.

"Making the NCAA tournament is a highlight for most student-athletes."

The Big Blue is one of 28 schools with four appearances in the Division III national tournament.

The Great Escape

Swimming in the Rockies?

While others battled post-holiday blues, members of MU's swim team enjoyed a trip to the Rocky Mountains.

The Big Blue open six days of training at the United States Olympic Training Center in Colorado Springs during its Semester Break.

The trip was designed for two purposes, according to Millikin Coach Tony Young: one, to get some intensive training, which is not possible during the academic term; two, a chance to "get away from it all."

"Having a trip during the christmas break is important for successful swim progress," Young said. "It helps to get our training back on schedule after missing practice times during finals week and the Christmas holidays. It's also a good motivational tool in the middle of a long season to get the team pumped up about swimming."

Men's Tennis

Year-End Awards

For the second successive year, senior Tim Kane has been named most valuable performer on the Millikin University's men's tennis team.

Seniors Tim Eimermann and Rosemann were co-winners as most improved performers.

Kane set a school record with 17 singles victories while playing No. 1 singles for the third straight year. He was runner-up in his singles bracket at the Illinois College tournament and finished fourth at the College Conference of Illinois and Wisconsin Championships. He is Millikin's career leader in singles and doubles victories.

Eimermann had the team's highest finish at the conference meet, placing third at No. 4 singles. He won 11 of his last 14 singles matches.

Rosemann improved from four to 10 wins this season after moving up to the No. 5 singles position.

Awarded letters were:
Seniors — Tim Eimermann, Tim Kane, and Ed Rosemann.
Junior — Pat Kinas
Sophomore — Sean Cabbage.
Freshman — Scott Noth.

Millikin Track

Year-end Review

Millikin University's Mike Hall and Kira Lasco have been named most valuable performers on the Big Blue track teams.

Hall was named men's co-captain with Ed Moss for next season.

Lasco earned all-conference honors in four events for the second successive year at the CCIW championships.

Other women's award winners were Wendy Baker, most improved performer, and Julie Bottorff, "Commitment Plus" award.

Mike Weideman was chosen most outstanding performer in running events on the men's team while Walter Hoult and Matt Plater were co-winners as most outstanding performer in field events. The senior dedication award was shared by Mike Ferren and Scott Wenzel.

Congratulations to all the men's and women's track team members for their achievements and awards.

MU Baseball!

Impressive Players

For the second consecutive year, Todd Westjohn has been named most valuable player on Millikin University's baseball team.

Freshman Freddie Villacci was chosen Rookie of the Year. Seniors Walt Cohen and Pat Whitley were co-winners as most improved players.

Junior Tony McClain was recognized for his selection to the College Conference of Illinois and Wisconsin all-South Division team.

Juniors Tim Carpenter and Troy Cottrell were named captains for next season.

Westjohn led the team with 10 doubles, five home runs, 25 runs batted in and 18 walks received in 37 games. He split his playing time between catcher and designated Hitter.

Villacci started at first base where he led the team in putouts and batted .344.

Cohen pitched in seven games and was credited with three wins. In his last start, he pitched a complete game and allowed two earned runs.

Whitley hit .244. He drove in 15 runs.

Softball and Academics

Do the two mix?

MU seniors Denise Fogle and Karla Kenney have been named to the GTE Academic All-District Softball team in the college division.

This is the third successive year Fogle has made the all-district team and the second for Kenney. Both were selected to the GTE Academic All-America first team last year.

Fogle has a perfect 4.0 cum. gpa while majoring in computer science. Among academic honors this spring, she received the University's prestigious Scovill Prize for scholarship and citizenship, and was selected as one of two outstanding students majoring in mathematics or computer science.

Fogle, a first baseman, hit .321 and drove in 27 runs in 34 games.

Kenney, who is majoring in biology, has a 3.83 gpa. She has been named to the Dean's List every semester and was selected to Omicron Delta Kappa for outstanding leadership.

Kenney started every game in center field and was the lead hitter in Millikin's batting lineup.

Big Blue Wrestling

Waiting at the end of the rainbow for wrestler Jeff Scott is a pot of spaghetti.

The Millikin University wrestler is looking forward to the day he can devour his mother's Italian cooking without worrying about weight gain. Like most wrestlers, weight gain is a constant nemesis for Scott.

Scott, a 5-foot-8 senior, is MU's regular in the 142-pound class. That means he must keep his weight at 142 pounds or less or be forced to wrestle in a higher weight class against bigger wrestlers. When Scott's weight goes over the limit, he increases exercise and reduces calories to shed the extra pounds.

But Scott views dropping weight as a small price to pay compared to the work required in rehabilitation from injuries. That's a price Scott knows too well. He's broken bones and had several other injuries.

Alma Mater

The tune we never learned!

To the Blue and the White we will loyal be,
Hail our Alma Mater
And her teams we will cheer whether win or lose,
Hail our Alma Mater
Her cherished traditions we'll uphold
Our loyalty will ne'er grow cold
Loyal sons and daughters we always will be,
Hail to our Alma Mater.

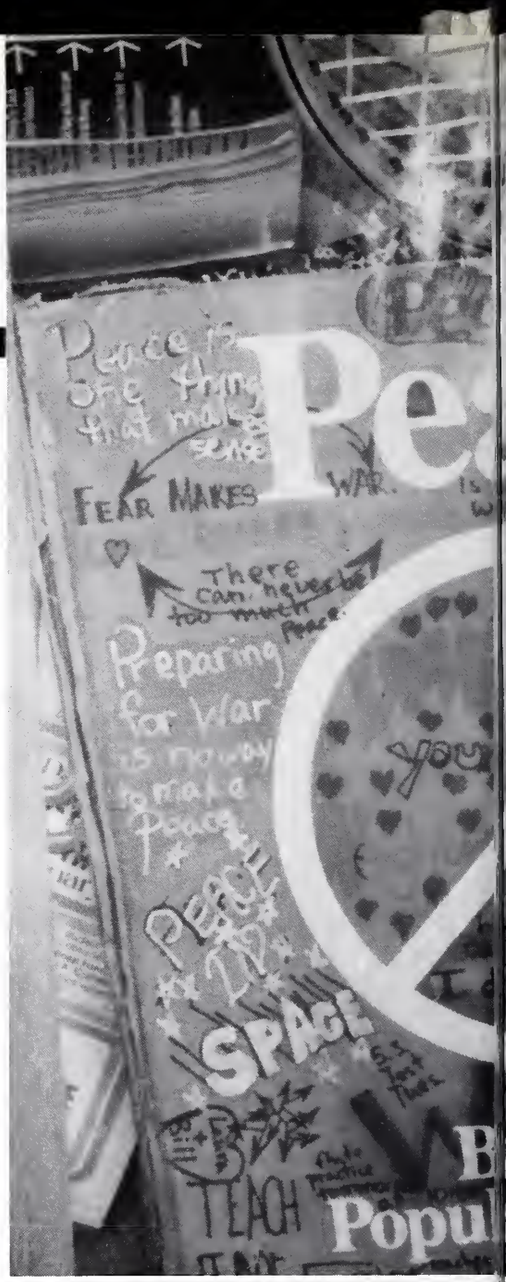
The Year In Review



The War in the Gulf!

The most memorable event of the 1990-91 school year was the Persian Gulf War. For the majority of MU students, this conflict was the first war they can remember. Student reactions to the war varied. Many students decorated their doors with patriotic symbols or messages of peace. Other students attended prayer groups or discussion sessions. Throughout the entire event, the campus was also adorned with yellow ribbons.

Good Evening from Moscow

Boris Notkin (left) visited Millikin on April 22 as part of the T.W. Samuels Lecture Series. Notkin has been described as Moscow's top TV news anchor/commentator in the new era of glasnost. As anchorman and commentator on the live Soviet TV program, *Good Evening Moscow*, he describes the show as a cross between *60 Minutes* and *Good Morning America*. *Good Evening Moscow* covers previously untouched topics such as government improprieties, organized crime, shoddy medical care and the newest Russian fashions. As a commentator, Notkin is known for his often biting opinions on subjects previously off-limits to Soviet journalists.

Notkin has visited the United States six times and is often asked what Americans are really like. During his four-month stay in Madison, Wis., as a Fulbright Professor, one of his goals was to gain a realistic glimpse of everyday American life to bring back to his Soviet viewers. "I never know how to answer when someone asks about the Americans," he said, "because my personal impressions differ so much from the statistical data I read — even in American newspapers."

Dear Students:

Few people realize the hard work that goes into compiling a two hundred page yearbook. The staff's blood, sweat, and tears have gone into this annual so that you might forever remember your smiles, laughter, and joys of the 1990-91 school year.

I wish to give a very special thanks to non-staff members Debbie White and Joe Jencks who helped us meet a very important deadline. Without their generous assistance, you would not have received this book on time. Mike Feeney, business manager, and the regular staff members also deserve appreciation for their dedication throughout the entire year.

I sincerely hope you have enjoyed — and continue to enjoy — the 1991 edition of *Millidek.* We, the staff, have tried to ensure that *Millidek 1991* creates lasting impressions in your memory. The theme, "Lasting Impressions," was chosen to illustrate that just as Millikin imprints itself into our lives, we leave our mark on it and the people whom we have known here.

As a graduating senior, I would like to take a moment and mention a few of the lasting memories I will take with me from Millikin. I will remember past roommates, good friends, class instructors, and co-workers; playing Scruples in the Sub, smelling Staley's every day, walking in the never ending rain, and writing ten-page papers over night; Homecomings, Greek Weeks, dollar movies, and Springfests; dorm life, sorority houses, Deli lunches, and Del Carmen's pizzas. But most of all, I'll remember freshman homesickness, sophomore stress attacks, junior weekends, and senior good-byes.

Good luck with all your endeavors.

Farewell,
Anna-Marie (Rie) Zurlinden
Millidek 1991 editor
